TO WHOM IT MAY CONCERN

Dear Sir/Madam,

RE: INDUSTRIAL ATTACHMENT REQUEST FOR KIMANZI BRIAN KYALO

This is to confirm that above mentioned person is a bona-fide registered student at JKUAT – IT Department taking Bachelor course in Information Technology and is required to be attached to an industry or business environment for a period of twelve weeks.

The university attaches great importance to practical training since the course requires that students be attached to relevant organizations in order to improve their skills. There will be a lecturer from the university visiting your firm as a follow up on the progress of the student at least once during the attachment period. We would be extremely grateful if you offered an attachment opportunity with your firm.

Once again thanks in advance for the invaluable assistance and I appeal for your continued support. I hope that you will find our student helpful to your esteemed organization.

Yours sincerely,

**FRANCIS K. THIONG'O
CHAIRMAN- IT-DEPARTMENT**
